

2013—Giffet Top Story

## 2013—Giffet Top Story

### DECEMBER

*December 2013*, Dr. @ilirprogri, @GiffetInc Charmain, CEO, and President completed 455% of chapter 8 of his second pioneer publication on *Indoor Geolocation Systems: Theory and Applications*. Chapter 8 is dedicated to propagation channel models. As of December 27, 2013 this chapter contains 622 pages with about 900 references and 111 figures. The first completed draft of chapter 8 is expected to be completed by the end of February 2014. The manuscript of this pioneer publication is expected to be completed by the end Summer 2014.

### NOVEMBER

*November 2013*, Dr. @ilirprogri, @GiffetInc Charmain, CEO, and President completed 440% of chapter 8 of his second pioneer publication on *Indoor Geolocation Systems: Theory and Applications*. Chapter 8 is dedicated to propagation channel models. As of November 22, 2013 this chapter contains 620 pages with about 899 references and 111 figures. The first completed draft of chapter 8 is expected to be completed by the end of January 2014. The manuscript of this pioneer publication is expected to be completed by the end Summer 2014.

### OCTOBER

*October 2013*, Dr. @ilirprogri, @GiffetInc Charmain, CEO, and President completed 420% of chapter 8 of his second pioneer publication on *Indoor Geolocation Systems: Theory and Applications*. Chapter 8 is dedicated to propagation channel models. As of October 25, 2013 this chapter contains 616 pages with about 898 references and 105 figures. The first completed draft of chapter 8 is expected to be completed by the end of December 2013. The manuscript of this pioneer publication is expected to be completed by the end of Spring or early Summer 2014.

### SEPTEMBER

*September 2013*, Dr. @ilirprogri, @GiffetInc Charmain, CEO, and President completed 400% of chapter 8 of his second pioneer publication on *Indoor Geolocation Systems: Theory and Applications*. Chapter 8 is dedicated to propagation channel models. As of September 27, 2013 this chapter contains 604 pages with about 877 references and 105 figures. The first completed draft of chapter 8 is expected to be completed by the end of October or November 2013. The manuscript of this pioneer publication is expected to be completed by the end of Spring or early Summer 2014.

*September 1, 2013*, Dr. @ilirprogri, @GiffetInc Charmain, CEO, and President renewed [www.giffet.com](http://www.giffet.com) domain for two years 2014-2015 for \$19.90.
